### *Career History*

---

---

#### **Education**

- Doctor of Philosophy, The University of Hong Kong (2003-2006)
- Master of Philosophy, The University of Hong Kong (2001-2003)
- Bachelor of Social Sciences (1<sup>st</sup> Class Honours), The University of Hong Kong (1998-2001)

#### **Work Experience**

- Associate Professor, Division of Social Science, The Hong Kong University of Science and Technology (2015-present)
- Affiliate researcher, Center for Experimental Research in Social Sciences, Hokkaido University (2018-present)
- Visiting Researcher, Center for Experimental Research in Social Sciences, Hokkaido University (2017)
- Assistant Professor, Division of Social Science, The Hong Kong University of Science and Technology (2008-2015)
- Instructor I, Department of Psychology, The Chinese University of Hong Kong (2006-2008)

### *Research*

---

---

#### **Research Interests**

- Environment and behavior:  
environmental psychology, conservation psychology, human-nature relationship, environmental concern, pro-environmental behavior, cross-cultural environmental psychology, climate change opinion, climate policy support, climate change communication, climate change anxiety
- Culture and behavior:  
cross-cultural psychology, cultural transmission, value socialization, cultural norms, cultural influence

## Publications

### Talks and Presentations

#### Keynote speeches and invited talks

- **Tam, K-P.** (2023, July). *Enriching research on environment and behavior with attention to culture*. In L. Li. (Chair), Culture and the environment. Invited symposium discussion at the 15<sup>th</sup> Biennial Asian Association of Social Psychology Conference. Hong Kong.
- **Tam, K-P.** (2023, June). *Enriching environmental psychology with cross-national comparisons*. Keynote speech and workshops at the 4th Summer School on Environmental Psychology, The Federal Agency for Nature Conservation, Germany. Isle of Vilm, Germany.
- **Tam, K-P.** (2022, April). *Enriching environmental psychology by considering the influence of culture*. Keynote speech at the XVI Conference of Environmental Psychology. Faro, Portugal.
- **Tam, K-P.** (2022, February). *Enriching the study of human-nature relationships with the concept of anthropomorphism*. Invited talk at the 11th Annual Sustainability Psychology Preconference, SPSP Annual Convention 2022. San Francisco, CA.
- **Tam, K-P.** (2021, October). *Publishing initiatives for a transforming world*. Invited talk at the Virtual Wiley Research Seminar. Wiley, Australia.
- **Tam, K-P.** (2021, May). *Understanding public engagement with climate change through the*

*tension between national interest and global benefits.* In A. Fotopoulou, Y. Kashima, & E. Pacherie. (Chairs), Climate change: Addressing climate change and its psychological, ethical, and socio-economic challenges. Invited panel discussion at the 2021 Association for Psychological Science Virtual Convention.

- **Tam, K-P.** (2020, July). *Ramping up climate action: Challenges and opportunities in the time of pandemic.* Invited talk at the HKUST Global Webinar Series: Navigating a World of Disruption, The Hong Kong University of Science and Technology, Hong Kong, and National University of Singapore, Singapore.
- **Tam, K-P.** (2019, February). *Uncovering the role of the political context: The psychology X politics perspective on engagement in environmental activism.* Invited talk at Institute for Futures Studies. Stockholm, Sweden.
- **Tam, K-P.** (2018, June). *Uncovering the role of culture in phenomena regarding environmental concern.* In F. Kaiser (Chair), Environmental attitude: Troublemaker or silver bullet. Invited symposium presentation at the International Congress of Applied Psychology 2018. Montreal, Canada.
- **Tam, K-P.** (2017, December). *Intergenerational values transmission: The role of perceived norms.* Invited talk at Nara Women's University. Japan.
- **Tam, K-P.** (2017, June). *Enriching the understanding of human responses to environmental issues with insights from interpersonal psychology and cross-cultural psychology.* Invited talk at Nara Women's University. Japan.
- **Tam, K-P.** (2017, February). *Enriching the understanding of culture and psychology with the concept of perceived norms.* Invited talk at the Department of Behavioral Science, Hokkaido University. Japan.
- **Tam, K-P.** (2016, June). *Psychology matters for environmental conservation: From research to practice.* Keynote address at the 12th Annual Conference of Society for the Psychological Study of Social Issues. Minnesota, MN.
- **Tam, K-P.** (2016, January). *Magnitude of the gap between environmental awareness and pro-environmental behavior varies both within and between societies: A social dilemma analysis.* Invited talk at the Department of Behavioral Science, Hokkaido University. Japan.
- **Tam, K-P.** (2014, September). *Psychology for zoo education and environmental conservation.* Keynote speech at the 22<sup>nd</sup> Biennial Conference of International Zoo Educators Association. Hong Kong.
- **Tam, K-P.** (2014, February). *Construct development in research on human-nature relationship.* Invited speech at the Society for Personality and Social Psychology Sustainability Psychology Preconference 2014. Austin, TX.
- **Tam, K-P.** (2013, October). *Psychology for environmental conservation.* Invited talk at the Zoological Operations and Education Division, Ocean Park. Hong Kong.
- **Tam, K-P.** (2013, July). *Psychology for environmental conservation.* Invited talk at WWF. Hong Kong.
- **Tam, K-P.** (2013, January). *Anthropomorphism of nature and efficacy in coping with the environmental crisis.* In A. E. White, & V. S. Y. Kwan (Chairs), The social cognition of global, modern disasters: Financial meltdowns, environmental crises, and viral pandemics. Invited symposium presentation at the 14<sup>th</sup> Annual Meeting of the Society of Personality and Social Psychology. New Orleans, LA.
- **Tam, K-P.** (2011, July). *Understanding cultural transmission.* In C-Y. Chiu (Chair), Intersubjective approach to culture and psychology: Issues and future directions. Invited roundtable discussion at the Asian Association of Social Psychology 9<sup>th</sup> Biennial Conference. Kunming, China.

Other talks and presentations (listing first-authored items only)

- **Tam, K-P.** (2022, June). *Perception of other countries' climate efforts motivates support for domestic climate policies.* Presentation at the APA Division 34 Inaugural Online Conference.

- **Tam, K-P.** (2021, July). *Understanding public engagement with climate change through the lens of national interest.* Presentation at the 14<sup>th</sup> Biennial Asian Association of Social Psychology Conference. Seoul, South Korea.
- **Tam, K-P.** (2019, July). *The social psychology of climate change in the Asian context.* Symposium (chairperson) at the 13<sup>th</sup> Biennial Asian Association of Social Psychology Conference. Taipei, Taiwan.
- **Tam, K-P.** (2019, July). *Uncovering the role of the political context: The psychology X politics perspective on engagement in environmental activism.* Presentation at the 13<sup>th</sup> Biennial Asian Association of Social Psychology Conference. Taipei, Taiwan.
- **Tam, K-P.** (2018, June). *Giving thanks to nature: Gratitude as a positive emotion that motivates pro-environmental behavior.* Presentation at the International Congress of Applied Psychology 2018. Montreal, Canada.
- **Tam, K-P.** (2016, July). *Understanding the role of cultural contexts on environmentalism.* Symposium (chairperson) at the 31<sup>st</sup> International Congress of Psychology. Yokohama, Japan.
- **Tam, K-P.** (2016, July). *Cross-national variations in the gap between environmental awareness and pro-environmental behaviors.* Presentation at the 31<sup>st</sup> International Congress of Psychology. Yokohama, Japan.
- **Tam, K-P.** (2015, August). *Gratitude toward nature: A positive emotion that motivates pro-environmental behavior.* Presentation at the 11th Biennial Conference on Environmental Psychology. Groningen, The Netherlands.
- **Tam, K-P.** (2014, February). *How people acquire intersubjective perceptions: Identifying multiple sources.* Presentation at the 15<sup>th</sup> Annual Meeting of The Society for Personality and Social Psychology. Austin, TX.
- **Tam, K-P.** (2013, September). *Anthropomorphizing nature: Implications for conservation ethics.* Presentation at the 10th Biennial Conference on Environmental Psychology. Magdeburg, Germany.
- **Tam, K-P.** (2013, January). *Anthropomorphizing nature: Implications for conservation ethics.* Presentation at the Society for Personality and Social Psychology Sustainability Psychology Preconference 2013. New Orleans, LA.
- **Tam, K-P., & Lee, S-L.** (2011, July). *The role of perceived normative values in parent-child values transmission.* Presentation at the Asian Association of Social Psychology 9<sup>th</sup> Biennial Conference. Kunming, China.
- **Tam, K-P., & Lee, S-L.** (2009, May). *The role of perceived normative values in parent-to-child value transmission.* Presentation at the Association for Psychological Science 21<sup>st</sup> Annual Convention. San Francisco, CA.
- **Tam, K-P.** (2005, April). *An alternative conceptualization of culture: The intersubjective consensus approach.* Presentation at the Asian Association of Social Psychology 6<sup>th</sup> Biennial Conference. Wellington, New Zealand.
- **Tam, K-P.** (2004, February). *Effects of mortality salience and ingroup identification on intergroup bias in resource allocation.* Presentation at the 5<sup>th</sup> Annual Meeting of The Society for Personality and Social Psychology. Austin, TX.
- **Tam, K-P.** (2003, July). *Birth as a means to manage death: An experimental social psychological approach to studying parenthood motives.* Presentation at the 2003 Hawaii International Conference on Social Sciences. Hawaii, HI.

## Research Grants

### Grants awarded as principal investigator

- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (16601122). *An Investigation of the Effectiveness of Dynamic Norm Messages in Promoting Public Support for Climate Policies.* Amount funded: HKD532,000 / approximately USD68,205. (1 January 2023 to 31 December 2025)

- Research Grant, Institute for Emerging Market Studies, The Hong Kong University of Science and Technology. (IEMS21IP01). *Pursuing resilience in indigenously engineered, yet vulnerable, Philippines and Indonesian rice farming landscape*. Amount funded: HKD200,000 / approximately USD25,641. (1 September 2021 to 31 August 2023) (co-PI)
- Sustainable Smart Campus (SSC) as a Living Lab Grant, The Hong Kong University of Science and Technology. *SmART Sounds*. Amount funded: HKD237,200 / approximately USD30,410. (1 April 2021 to 31 March 2023) (co-PI)
- VPRDO Development Grant for 2020 Sustainable Smart Campus (SSC) as a Living Lab, The Hong Kong University of Science and Technology. *A smart approach to promoting sustainable energy transitions: Micro-targeting behavioral change through digital nudging*. Amount funded: HKD100,000 / approximately USD13,000. (15 July 2020 to 14 July 2021) (co-PI)
- VPRDO Development Grant for 2020 Sustainable Smart Campus (SSC) as a Living Lab, The Hong Kong University of Science and Technology. *How does on-campus residence shape students? An empirical investigation with lessons for programme design*. Amount funded: HKD100,000 / approximately USD13,000. (15 July 2020 to 14 July 2021) (co-PI)
- HKUST-SJTU Joint Research Collaboration Fund, The Hong Kong University of Science and Technology and Shanghai Jiao Tong University. *Environmental governance and policy effectiveness*. Amount funded: HKD100,000 / approximately USD13,000. (1 September 2020 to 31 August 2022) (co-PI)
- Fiscal 2019 Grant for Japan-Related Research Projects, The Sumitomo Foundation. *Understanding public support for climate policies in Japan*. Amount funded: JPY1,500,000 / approximately USD14,000. (1 April 2020 to 31 December 2021)
- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (16602119). *An investigation of the effectiveness of a cultural sustainability frame in climate change communication*. Amount funded: HKD600,092 / approximately USD76,935. (1 September 2019 to 31 Aug 2022)
- Research Grant, Institute for Emerging Market Studies, The Hong Kong University of Science and Technology. (IEMS19HS02). *Public support for climate policy in China and India*. Amount funded: HKD125,000 / approximately USD15,925. (1 August 2019 to 31 July 2021)
- School-Based Initiatives Grant, School of Humanities and Social Science, The Hong Kong University of Science and Technology. (SBI19HS03). *An investigation of selective adoption of pro-environmental behavior*. Amount funded: HKD42,000 / approximately USD5,350. (01 May 2019 to 30 Apr 2021)
- Research Grant, Institute for Emerging Market Studies, The Hong Kong University of Science and Technology. (IEMS18BM01). *Understanding dispute resolution practices in emerging economies: A cross-nation comparison*. Amount funded: HKD300,000 / approximately USD38,217. (1 September 2018 to 31 August 2020) (co-PI)
- School-Based Initiatives Grant, School of Humanities and Social Science, The Hong Kong University of Science and Technology. (SBI18HS05). *Giving thanks to nature: An investigation into the role of gratitude toward nature in motivating pro-environmental behavior*. Amount funded: HKD42,500 / approximately USD5,450. (1 April 2018 to 31 March 2020)
- School-Based Initiatives Grant, School of Humanities and Social Science, The Hong Kong University of Science and Technology. (SBI15HS07). *When do environmental motivations lead to pro-environmental behaviors? An investigation on the role of cultural and socioecological factors*. Amount funded: HKD50,000 / approximately USD6,461. (1 December 2015 to 30 November 2016)
- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (HKUST641513). *Understanding how values are transmitted in families facing cross-cultural transition*. Amount awarded: HKD574,000 / approximately USD73,800. (1 January 2014 to 31 December 2016)

- Direct Allocation Grant, Research Grants Council of the Hong Kong Special Administrative Region. (DAG12HS04-13). *Anthropomorphizing nature and pro-environmental behavior*. Amount awarded: HKD15,000 / approximately USD1,930. (26 June 2012 to 25 June 2014)
- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (HKUST645311). *Anthropomorphizing nature and pro-environmental behavior*. Amount awarded: HKD446,972 / approximately USD57,460. (16 August 2011 to 15 August 2014)
- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (HKUST642909). *What values do parents prefer in their children? The role of social norms*. Amount awarded: HKD516,810 / approximately USD66,430. (01 September 2009 to 31 December 2011)
- Direct Allocation Grant, Research Grants Council of the Hong Kong Special Administrative Region. *How evidence for genetic predisposition to criminality affects forensic attitudes and judgments*. Amount awarded: HKD100,000 / approximately USD12,860. (01 April 2009 to 31 December 2011)
- Direct Allocation Grant, Research Grants Council of the Hong Kong Special Administrative Region. *How cosmetic surgery patients are socially perceived*. Amount awarded: HKD38,000 / approximately USD4,890. (16 December 2007 to 31 August 2008)

#### Grant awarded as co-investigator

- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (15606823). *From I believe to we believe: Understanding the behavioral impacts of belief in climate change conspiracy theories with a conspiracy belief–social identity model*. Amount funded: HKD820,735 / approximately USD105,500. (1 January 2024 to 30 June 2027)
- APSS Research Fund 2023, Department of Applied Social Sciences, The Hong Kong Polytechnic University. *Promoting climate change opinions and actions via conversionary pro-environmental behaviors: A longitudinal dyadic research*. Amount funded: HK\$1,000,000 / approximately USD128,000. (June 2023 to June 2026).
- General Research Fund, Research Grants Council of the Hong Kong Special Administrative Region. (16601022). *Energy insecurity in Hong Kong's vulnerable populations*. Amount funded: HKD817,928 / approximately USD104,862. (1 September 2022 to 30 August 2025)
- Mental Health Research Center Mini-Seed Grant, The Hong Kong Polytechnic University. *Anxiety associated with climate change: Testing an integrated model of climate anxiety*. Amount funded: HK\$500,000 / approximately USD64,103. (June 2022 to April 2024).
- Internal Research Grant, Singapore Management University. (C242/MSS16S). *The roles of culture-related co-benefits and cosmopolitan orientation in motivating pro-environmentalism*. Amount funded: SGD27,333.8 / approximately USD19,850. (1 October 2016 to 30 April 2018)
- Research Project Competition, The Hong Kong University of Science and Technology. *Hong Kong study of undergraduate learning and experience (HK SOUL): A panel study*. Amount awarded: HKD360,000 / approximately USD46,280. (30 June 2010 to 30 June 2012)

#### Teaching

---

##### **Teaching Award**

- Honorary mention, SOSC Teaching Award, Division of Social Science, The Hong Kong University of Science and Technology. (2022)
- Humanities and Social Science Best Teaching Award, School of Humanities and Social Science, The Hong Kong University of Science and Technology. (2012)

## Teaching Grant

- Innovative Teaching Development Grant, The Hong Kong University of Science and Technology (050H-1213). *Learning knowledge application in the real world: Coursework as a platform for students to collaborate with practitioners*. Amount funded: HK\$153,287.50. (01 August 2013 to 30 September 2015)

## Courses Taught

- Child Psychology (undergraduate)
- Discovering Mind and Behavior (undergraduate)
- Environmental Psychology (undergraduate)
- Environment and Human Behavior (postgraduate)
- Experimental Design (undergraduate)
- Fundamentals of Social Psychology (undergraduate)
- General Psychology (undergraduate)
- Introduction to Psychology (undergraduate)
- Introduction to Statistics (undergraduate)
- Psychological Testing (undergraduate)
- Psychology of Environmental Sustainability (undergraduate)
- Understanding Human Behavior (postgraduate)
